

DC-AC Inverter | Model **→ Pure Sine Wave** 

NTX-1500-12 12 VDC- 115 VAC

## **NTX-RC Remote Control** included in every box

Use the control panel for remote operation and install your inverter out of sight. Remote comes with 16' of connecting wire.

## **Design Features**

- Pure Sine Waveform of AC output voltage
- High efficiency
- Compact size and low weight
- Very low idle current
- Easily start high surge loads with Samlex Hypersurge™ technology
- LCD Remote Control Model NTX-RC
- Low noise load and temperature controlled variable speed fan
- Wide input voltage range

## 2 YEAR LIMITED WARRANTY FC

|                   | MODEL NO.                                    | NTX-1500-12                                                                              |
|-------------------|----------------------------------------------|------------------------------------------------------------------------------------------|
